

Central Texas Human Resource Management Association (CTHRMA) Awarded For Elevating Human Resources, Improving Workplaces

Temple, TX May 11, 2021 — SHRM (the Society for Human Resource Management) recently awarded CTHRMA its prestigious Platinum Award for the chapter’s accomplishments in 2020.

The EXCEL award is given to SHRM state councils and chapters to recognize major accomplishments, strategic activities, and tactical initiatives that elevate the HR profession.

“So much of SHRM’s positive impact on our workplaces can be traced back to the dedication of our chapters and state councils like CTHRMA. I’ve seen firsthand how these leaders drive meaningful changes to build workplaces where employers and employees can thrive together,” said Johnny C. Taylor, Jr., SHRM-SCP, president and chief executive officer of SHRM. “The Platinum EXCEL Award not only honors CTHRMA’s accomplishments in 2020, but it’s also a testament to the hard work it took to get there.”

The EXCEL Award can be earned at four levels: bronze, silver, gold and platinum. Each level has a prescribed set of requirements and accomplishments that must be met. CTHRMA will receive recognition in SHRM publications and at conferences, a logo to display on its website, and information to share with its members about the significance of this award.

The Society for Human Resource Management (SHRM) recently awarded the local affiliate chapter, Central Texas Human Resource Management Association (CTHRMA) the Platinum EXCEL award in recognition of the significant efforts by their board and chapter members in serving the Human Resource community by supporting and serving their members and member companies, advancing the Human Resource profession and enhancing the SHRM community. In addition to acquisition and retention of dual members, they also successfully completed four initiatives towards serving professionals, advancing the HR profession, and enhancing the SHRM community.
